Awards for Eternity. Celebrating 40 years

We believe achievement is not just crossing a finish line or winning a game, achievement is personal growth, many hours of training and dedication, pushing your limits, and sharing experiences with team mates or rival athletes. We believe an award should take you back to all the hard work and fun you put in training and taking part in a particular event, the event that you have organised!

In 2022 we are celebrating 40 years offering trophies and awards in the UK. Many things have changed since 1982.

The birth of Prince William, CD's, Channel tunnel, Internet, the Millennium Dome, Oasis, the Spice Girls, Fast food, Mobile phones, the Olympic Games in London, Brexit, Electric cars, even a global pandemic! and 2022 marking 70 years of Queen Elizabeth II's Platinum Jubilee... And we are going strong thanks to you.

From starting out just selling medals, our product range has steadily increased to meet all our customer's needs. We have always worked to offer competitive and original products at great prices. From economy medals to high quality crystal awards, nickel plated cups, budget trophies bespoke medals and many more.

Innovation is very important to us, we strive to develop cutting edge systems to help us producing the perfect trophy or medal for your event. We are proudly introducing eco friendly and sustainable new product ranges of trophies and medals.

We know every event is special, and our aim is to help you by supplying products that will make a great long last impression. THANK YOU to all customers that have worked with us for the last 40 years!
